Question 15 to 25 enquires about co- curricular, extracurricular activities and financial facilities provided to students in the institution. Out of 520 students 500 students are satisfied with the facilities provided by the institution.

Conclusion and suggestions

In the feedback analysis for the year 2018-19 our analysis team found that the students are satisfied with teacher's performance and their preparedness which is an important criterion for our institution.

Infrastructure and library resources can be managed but an up gradation is required the same had been conveyed to the management and steps are being taken such as automation of library is initiated and repair are proposed in the college premise.

Grievance redressal in the college is up to the mark and we must have to maintain it.

Suggestion from students:

1. To reduce monotony from curriculum some action should be taken
2. Information related to job should be provided to students.
3. Efforts should be made on communication skill development.
4. Educational tour should be done in college.

The analysis is done by feedback committee and report is submitted to IQAC.
