1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Institution has the mechanism for well planned curriculum as following: Being the affiliated institute, the institute implements the curriculum prescribed by HEMCHAND YADAV University, Durg. The institution strictly adheres to the academic calendar as prescribed by Higher Education Department. Two different structures of courses are functional in the institution Yearly pattern for Under graduate level and Semester pattern for Post Graduate level. Slightly different approaches are taken for each pattern. At the outset, The Academic in charge conducts meeting with all the Faculties of various stream in the beginning of every academic session, where the Blue print for the whole academic year is prepared depending upon our resource potentiality, institutional goals and concern for the students, we impart quality education. for counter checking the progress Bi monthly meeting is conducted where Academic in charge verifies the progress with HOD's of various departments and directs the concern authority to take necessary steps if deviation is found

from the desired plan for example special classes are conducted for the students during vacations or off hours to compensate for the time lost due to government activities like Legislative or Parliamentary Elections Besides the traditional ways of teaching Teachers are encouraged to impart the curriculum through innovative teaching methods such as presentations, assignments, discussions, seminar etc. for an example in this academic year every department has conducted a Seminar on relevant topics like Impact of Demonetization etc. where the intellectual spokesperson are invited from other organizations so that the students can understand the nitty-gritty of current policies and events. Library committee conducts meeting and take appropriate decision regarding the requirement and procurement of books, journals ensuring staff has opportunity for keeping their skills and expertise up to date and students have appropriate study material so that effective preparation for the exams can be ensured. The institution follows a specific time table program for the effective delivery of the curriculum. The department council comprising members of the department and two student representative meets at least once a month to evaluate the progress and suggest means for overcoming the hurdles if, any in achieving the optimum output

Feedback Obtained

The Institution obtained feedback through analysis and after analyze this is utilized for development of Institution. A proper feedback system is backbone for any organization to move towards Excellency. It requires thorough preparation to initiate, launch and implement the feedback system. Govt. P. G. College kawardha ensures to collect, analyze and take corrective action for the betterment of students and the institution as well. The feedback is collected from students and Teachers timely so that the proper development can be ensured. Through Feedback form we try to gather views of various stake in the matter of curriculum, teaching Schedule, teaching tools and student assessment outcomes are discussed for taking improvement measures. Student's feedback is designed in a form in which their opinion on curriculum, Teachers qualities and their approach towards teaching is given top priority. Apart from that quality and quantity of facilities available to the students are checked through which new instrument can be added and obsolete goods are replaced or repaired. The student's feedback on staff helps the academic coordinator on taking action on the faculties for improvement. The feedback form is normally collected before the end of teaching session for annual and semester pattern accordingly so that students can put up their views for the entire session. Teacher's feedback form is collected normally in the last week of February each year in which the teachers provide their views on infrastructure, lab facilities, maintaining discipline among students, curriculum, sports activities and equipments etc. These areas are given specific weightage and thus form a platform through which we can address issues which are more sensitive for proper functioning of the college. The marks have been allotted to all areas from I to V. 1 being the "worst" and 5 denotes "best". Areas which score the lowest is taken up with top priority for an example employment being a key area of interest among the students so the management decided to provide career guidance regularly to students so that they can prepare for the competitive examination and found a niche in present dynamic job market. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The College follows the policy of decentralization. The Governing Body delegates all the academic and nonacademic decisions based on policy to the college Committee headed by the Principal. The college Committee formulates common working procedures and entrusts the implementation through departments. The department coordinator manages the day to day activities of the department and keeps a track of cocurricular and extracurricular activities in the College. Other units of the college like sports, arts, library etc. have operational autonomy under the guidance of the various committees/ clubs/ associations and students are involved from various departments in the decisiontaking process. Appointments of Faculties under public participatory committee - Our institution is a government institution where major decisions are taken by the higher Education Department like sanctioning of post for various streams, courses to be operated in the college etc. Thus for taking decision on related matters, the institution asks nominal amount as Jan bhagidari fees from the students at the time of admission. The fund collected in this scheme can be used by the institution for the betterment of the students. But decision for spending this fund can be taken by a committee whose formulation is done with guidelines prescribed by the authorities. The committee include (A) Chairman of Jan bhagidari committee who is public representative (B) Representative from student union. (C) District Collector's Representative. (D) Student whose family business is Agriculture i.e. Farmer's

child. (E)A representative from minority community. This committee along with staff of the college decides on requirement of Teaching and Nonteaching staff in the college and decides which all posts should be created to compensate the vacant post unsanctioned by the Department of higher Education. This year more than 10 posts are filled under this facility temporarily from time to time. SelfFinance Kawardha is a town which lacks in various education facilities as compared to cities. Our Institution by keeping in view this factor often tries to serve the society by fulfilling their requirement by providing professional and skill development courses. Under this facility of Self Finance, Small contribution is taken from the students so that new courses like DCA, PGDCA etc. can be started. These type of courses were not sanctioned by the department but by looking at the need and demand from the society the Institution has started this courses by taking selfmotivated initiative under the self finance scheme. Self finance committee includes: Staff council - The staff council of the college comprises of all teaching and non teaching staff and the acting principal serves as the chairman of the committee. Decisions are taken if majority of the staff agrees to act on any matter.
