Winning Strategy

Responsive Education

As there is dynamic environment in the job market, the demand from the employers do vary accordingly . The institute always aims at upgrading skills and knowledge of the students through the following activities :

- Career guidance
- Experimental Learning
- Invited talks
- Extension Activities
- Developing e-content

Contributing towards Society

With a motto of “ tera tujhko Arpan” the institute from last many years has contributed towards society through various extension activities that the institution has positioned itself as one of the philanthropic institute in the town which should be maintained and upgraded as per the needs of the society through these measures :

- Motivating the People to contribute their best to the society
- Create Awareness about the responsibilities as a citizen.
- Environmental Conservation
- Helping the underprivileged.

Organizational Effectiveness

With all the strengths and weakness of the Institute, APSGMNS Govt. P.G. College is the first choice of the students in Kabeerdham district, with increasing number of students every year and limited number of staff ,the college dedicate itself to continually refining how we complete our task with in the organization. We seek to promote :

- The continual improvement of institutional systems, processes and internal communication.
- The professional development of all the employees.
- Minimizing the time requirement for getting a job done.
- Reducing the number of grievance.
